

## Songadeewin of Keewaydin

This form is to help us when we work with you this summer and to let us learn about you before you arrive at camp. Your tent or cabin staff will be reading this during staff training week. Please be honest and thoughtful as you fill this out. If you are a returning camper do not assume that your staff will know you well, they could be new this summer and you also are likely to have grown and changed since you were at camp last summer. This is a chance to let us learn about you!
