Preparing for Camp

CampDoc - Online Medical Service

In January CampDoc, an online medical data management systems designed specifically for summer camps, will send you an email inviting you to set up an account for your daughter. (Returning campers only need to update medical information.) **Every camper must register with CampDoc.** Please start this process as soon as possible.

CampDoc website Medical forms must be completed by April 15. We need to update our medical department database well before campers arrive on campus.

Checklist of Forms

to be completed and returned no later than May 15:

Parents:

- _____ The General Form
- _____ Letter to my Daughter's Counselor*
- _____ Travel Authorization form for current **GRADE 7 and up**

*This questionnaire (yellow sheet) gives our staff important information that will be helpful in giving your daughter the kind of summer that we both want for her. Though we will not acknowledge personally the helpful comments you have made, the information will be shared with your daughter's staff.

Campers:

- _____ Letter to My Counselor
- _____ Trip choice survey (**6th grade and up**). Sent to parent email in April.

PASSPORTS

Any camper who might be tripping to Canada **MUST** bring a current passport to camp. This applies to any camper Grade 7 and up. Check your camper's passport NOW!

Packing

Clothing

Clothing Checklist: Send the checklist (see above) to camp with your daughter.

Dresses, skirts and fancy clothes are not necessary. (Verendrye trippers may bring a simple skirt or dress for the special Verendrye dinner out of camp.)

Bathing suits should be suitable for active water sports.

Second month campers are encouraged to bring a Halloween costume.

Please do not bring:

Platform sandals or shoes.

Clothing that advertises or promotes alcohol, drugs, or other questionable areas. While this type of clothing may be appropriate elsewhere, we would like the Songadeewin experience to be a "different and special experience."

Laundry:

Laundry is done once a week.

All clothing and personal items should be name-marked with sew-on tapes or permanent marker.

Include two large name-marked laundry bags (available in our camp store).

Bedding:

Needed:

3 blankets, 2 sets of twin sheets, a pillow and 2 pillowcases.

Rental option:

We rent these (\$20 for 8 weeks, \$10 for 4 weeks or 2 weeks charged to your account).

Indicate on the General Form if you wish to rent bedding.

Your daughter may want to bring her own pillow even if you rent bedding

Towels are not included in the bedding rental .

Luggage & Shipping

Ship trunks and other luggage to camp via UPS or FedEx Ground to:

**Camper Name
Camp Songadeewin
500 Rustic Lane
Salisbury, VT 05769**

We can ship luggage home via UPS at the end of your daughter's stay.

Trunks/duffels cannot be kept in the camper's living area; they will be unpacked and then stored.

If arriving by Songa Bus - only hand luggage and **one** small or medium size duffel may accompany girls.

(see Bus p. 5)

Personal Items

You are encouraged to bring personal items (sports equipment, musical instruments, games, fishing equipment, books, etc.) but **space is limited**. **Name mark all items in some way.**

Songadeewin is not responsible for any lost, damaged, stolen, personal items, jewelry or clothing. Consult your homeowner's insurance for the loss.

Equipment: With the exception of the items listed on the Clothing List and Trunk Checklist, Songadeewin provides the equipment your daughter will need at camp. We discourage you from sending expensive equipment to camp (e.g. expensive cameras, personal kayaks, iPods, etc.). Bringing these items becomes a problem if they are lost or broken.

Rifles and Bows. Rifles (.22) and re-curve bows may be brought for target practice, but we prefer your daughter use our rifles and bows. If brought, they will be used only under a staff's supervision and locked up when not being used. Compound bows are not used at our camp.

Items NOT Allowed

Trading cards or other. Please make sure your daughter leaves these types of trading cards (or other such trading items) at home. It seems they do not work out well in our setting.

Aerosol Cans. These are not to be sent to camp due to safety and environmental concerns.

Knives. Personal knives are not allowed. We have a supply of pocket knives for campers to use with staff supervision.

Fireworks or firecrackers are not allowed. We have a fireworks display on the Fourth of July.

Technology:

It has long been a tradition at Keewaydin and Songadeewin to maintain a place for campers that is simple, rustic and close to nature. We strive to create an atmosphere that allows campers and staff to “unplug” from the modern world where we are constantly bombarded by electronic and media messages.

Allowed:

- **Small personal music players** (iPad Shuffle) only with earphones in tents or cabins during specified times.
- **iPods or MP3 players** may only contain music. **All video storage and games must be removed for the summer.**
- **Cameras**, except for those with video capabilities.

Not Allowed:

- **Cell phones, iPhones, computers, Blackberries and other such devices**
- **Personal wireless internet devices, electronic games, video games, iPod Touch, video cameras, TVs or other video viewing devices.**
- Any other technology in the categories mentioned above.
- **Electronic books** such as the Nook, Kindle or other reading devices. Our library has regular books for campers.
- Confiscated devices will be stored in the camp safe until the end of the summer. Be advised that there are no secure places to recharge such items and we are not responsible for their loss or damage.
- **Cell phone:** At the start of camp, you and your daughter will sign a form indicating the location of her cell phone during camp. It can be stored in our safe and retrieved at the end of camp for travel.

Stay in Touch!

You are more than welcome to contact your daughter via snail mail or e-mail:

Snail Mail

Campers LOVE to get "real" mail - send a postcard or letter to:
(Camper Name and Cabin)
500 Rustic Lane
Salisbury, VT 05769

E-Mail

- Send to songaoffice@keewaydin.org (This is not the Director's e-mail)
- Subject: Camper name & cabin in the subject line.
- E-mails will be printed out and treated like regular mail.
- This address is for **PARENTS only**.
- Please limit your e-mails in length and frequency.
- We cannot print photos or other graphics, only text.

Packages from Home

- Limit your packages to no more than one a week.
- Camping equipment, clothing, arts and crafts supplies, small games, books, and toiletries are acceptable.
- **DO NOT TO SEND FOOD, CANDY OR OTHER EDIBLES.**
- Inform grandparents, other relatives and family friends of these rules.
- Food in our cabins draws unwanted guests -- skunks, raccoons, chipmunks, mice and ants. Your support in helping us with this problem is greatly appreciated. Sufficient cakes, pastry, and sweets are available to our campers in the dining hall. After lunch, four days a week, one item of candy is available at the store at no charge.

Letters Home

Each girl is encouraged to write home twice a week when she's not out on a trip. Please do not be disappointed with your daughter's letters. We do our best to urge every girl to write a good letter home every week, but we cannot assure you that these letters will be very lengthy! **Please inform us if you are not pleased with the kind of letters your daughter writes.** This is the only way we can check on campers' letters. Wabasso and Mettagami campers are given a stamped and addressed postcard to send home each week unless the camper is out in a trip.

Phone Calls

Camp Office Phone - (802) 352-9860

In general, phone calls are NOT encouraged.

Chatty phone calls to campers, especially during the first two weeks of a girl's stay, can be disturbing. If you have concerns during this time, call Ellen Flight, the Camp Director. Please be aware that campers are not always accessible to receive a phone call, (she may be out on a trip). We will only find campers for phone calls at mealtimes when they are in the dining hall. Girls with parents who live apart may have two calls a week.

- Phone calls are limited to one per week per camper, AFTER the first 2 weeks at camp.
- Calls are limited to 5 minutes.
- Calls can be taken by your daughter ONLY at mealtimes (see chart below)

Meal	Times 7/7 - 7/17	Times 7/18 - 8/11	Times 8/12 - 8/16
Breakfast Mon - Sat	9:00 - 9:45 AM EDT	8:00 - 8:45 AM EDT	8:30 AM - 9:15 AM EDT
Breakfast Sunday	9:30 - 10:15 AM EDT	8:30 - 9:15 AM EDT	8:30 AM - 9:15 AM EDT
Lunch all days	1:30 - 2:15 PM EDT	12:30 - 1:15 PM EDT	12:30 - 1:15 PM EDT
Dinner	7:00 - 7:45 PM EDT	6:00 - 6:45 PM EDT	6:00 - 6:45 PM EDT
Dinner Thursday & Sunday	Please DO NOT CALL - Cookout Night		<u>EDT = Eastern Daylight Time</u>

Call the Camp Director: DO call us for any information you may wish, and, of course, phone if there is an emergency at home. Letting us know about an emergency can help us help your daughter if that is necessary. We can also arrange for a more private phone call if you must give upsetting news, and we can have staff available to console your daughter.

Tripping

Ideology

Your daughter will be going on one or more overnight trips this summer. In addition, she may choose to go on day hikes, and if she's qualified, day trips to do white water canoeing and/or kayaking. Each of these kinds of trips entail some sort of physical challenge and our tripping program gets progressively more difficult as girls develop their skills. In addition, there are trips that are more or less challenging so that each girl can trip at a level that is appropriate for her and she is challenged at the same time. Some of the challenges on trips are of a mental nature - how to get along with one's bowman, rising to the challenges of bad weather (for the third day in a row), or how to cope when dinner doesn't come out exactly like the package said it would.

The different kinds of trips require various skill levels and at least a minimal level of physical fitness. During the early part of each month, short hikes and lake paddling help girls develop the skills they'll need for trips. When the tripping staff make up trip lists, they take the skill level and experience of girls into consideration. Girls who have not passed their swim and canoe tests will be assigned to hiking trips.

A camper staying two months can further develop her skills for more challenging trips in her second month. It is up to each girl to maintain a level of physical fitness so that she can actively and effectively participate in the tripping program. This also means taking care of her body so that she doesn't have blisters or cuts that would hamper her ability to participate fully and comfortably during the trip.

Girls who have behavior that is difficult for our staff to manage or who may have a negative impact on the group will have limited or no opportunities for tripping. It is important for our staff to keep all campers safe while out on trips.

Tripping Equipment

Many of our trips are canoeing trips, and we also have overnight and day hiking trips. Songa provides tents, backpacks, etc., but your daughter may bring her personal equipment if she wants. Items available at our camp store are noted on our [Trip Clothes/The Big Five](#) link. We work with Summer Camp Supply to provide parents with an alternative way to shop for trip gear. Click the [Summer Camp Supply](#) link to open its' online site with camp approved options to fulfill the necessary items for safe and happy tripping.

Medical Matters

Health History and Examination. Every camper must register with **CampDoc**, an online medical data management system designed specifically for summer camps. Information is emailed to families in January. Medical forms must be completed on the **CampDoc** website **no later than April 15** so updates can be made prior to camper arrival.

Illness: If your daughter has been exposed to a contagious disease just prior to her arrival at camp (chicken pox, measles, mumps, etc), she should not be sent to camp until the period of incubation has passed.

Medications: Campers who take medications on a regular, or daily, basis either prescription or over the counter, must order these medications through **CampMeds**. This includes daily vitamins, fluoride and other such pills. The exceptions are epi-pens and inhalers. Our Health Center will email parents specific details about ordering.

If your daughter is taking a regular medication, she should continue to take it while at camp. Do not take your child off of her medication without first consulting your physician and the Camp Director.

Head Lice. See our detailed [Lice Policy](#). It includes a schedule for checking your daughter prior to her arrival at camp. If necessary, begin treatments and **make sure your daughter is lice and nit free before she comes to camp**. If she arrives with head lice or nits, she will be treated (at your expense) prior to being admitted to camp. Go to www.headlice.org for information and materials you can order to help with this issue.

Dados los problemas que hemos tenido en los últimos años con acampantes que llegan al campamento con piojos, se lo agradeceríamos mucho que su médico le examinara a su hijo/a para asegurar que no los tenga. Si es necesario, usen los tratamientos para que su hijo/a llegue al campamento sin piojos. Se puede encontrar información en el website www.headlice.org. ¡Gracias por su ayuda!

Tick Policy - As is the case in Mid-Atlantic states and the rest of New England, Vermont has ticks that carry Lyme Disease. The presence of ticks is relatively recent in Vermont and we have come up with some common sense policies that help protect our campers and staff.

Medical Insurance. Songadeewin of Keewaydin does not provide medical insurance. **Campers must be covered by their parents' or guardians' medical insurance in order to attend Songadeewin of Keewaydin.** Parents are responsible for reimbursing Keewaydin for bills related to hospital or doctor visits. Since Keewaydin pays the service providers the co-pay or uninsured balance, these amounts will be charged to the camper's account.

Parent Contact in Medical Situations: Communicating with parents is an important part of our medical procedures. Parents will be contacted in the following situations:

- Camper goes to the emergency room (when she goes and upon her return)
- Camper goes to see doctor or (when she goes and upon her return) Camper spends more than a night in the Health Center
- Camper has a situation which requires repeated visits to the Health Center (e.g. bad case of poison ivy or a persistent cough)

Money Matters

Bills: Your final bill for your daughter's camp fee will be sent to you in February. To secure her spot, your bill must be paid in full by **March 1. Songadeewin, as per our application, does not give refunds after March 1.** Contact our business manager at 802-352-4770 if you need to set up a payment plan.

Cancellation: We encourage you to purchase trip cancellation insurance. This allows you to recoup tuition fees in the event that your daughter is unable to attend camp for reasons approved by the insurance company. Two companies offering this product are Travel Insured International [Travel Insured International](#) and [A+ Protection Program](#).

Cash: We are a cashless campus. Please DO NOT bring or send cash to camp. Cash for traveling by plane to or from camp (we recommend a minimum of \$20 for emergency needs) will be stored in the safe. **NO CASH** should be sent directly to a camper during the season.

Camp Store: Our store stocks personal items such as toothpaste, stationery, flashlights, batteries, etc.. Purchases will be charged to the parent's account. Cash is not accepted. \$100 should cover these items, but the purchase of baseball caps, T-shirts, sweatshirts, polo shirts, kneepads, waterproof trip bags, or laundry bags will increase the amount. Please advise your daughter of any limits you expect.

Gratuities: We ask that gratuities for our staff or directors come in the form of a contribution (in the name of the staff person you wish to honor) to the Scholarship Fund, which helps provide financial aid to campers in need.

Other Matters

Cabin and Tent Assignments

The Director, just prior to the opening of camp, makes cabin and tent assignments. We try to match campers to particular staff, taking into consideration age and grade in school, as well as length of stay at camp. One of the good things about summer camp is the opportunity to make new friends from other parts of the country or world.

We discourage requests for friends from home living together. Rest assured, they will be close by. We have a lottery system in place for choosing beds in the cabins. This takes pressure off families to "get-there-early-so-I-can-get-the-bed-I-want". The only exception to these guidelines is for campers whose parents are on staff at either Dunmore or Songadeewin. These parents work on opening day, so they will help their daughters settle in the afternoon prior to the first day of camp. Please share this information with your daughter before arrival.

Visiting Camp

Parents are welcome to visit after the first two weeks, but having visitors at camp can be disruptive to our program. The best time to visit is at Midseason (July 20 and 21) because all first month trips are back in camp and we are set up for your visit. Click this link for our [Midseason Schedule](#). If you need to visit another time, call Ellen at (802) 352-9860. Parents should not plan on visiting more than once during camp.

There are no overnight accommodations for parents at camp. Several good inns and motels on and near Lake Dunmore are listed on our website. See our link for [Area Lodging](#).

Our camp policy is that campers stay on campus and do not spend the night off campus unless on a camp trip. It can become disruptive if some parents take their daughters away for the night. Thanks for your cooperation with this policy.

Mid-Season July 20 and 21: Details on our [Midseason Schedule](#).

End of Season Visiting: Campers may not be taken out of camp for any meals at the end of camp. Parents may attend our **special campfire** on Friday, August 16 but are asked to arrive on campus **after 7 PM**.

Other Matters

Sunday Circle:

On most Sundays, we have a Sunday Circle for the whole camp. It is a time for campers and staff to learn and teach important values, get closer to nature, and develop a oneness with the camp community. We believe that our Sunday Circle does not conflict with any religious traditions.

Songadeewin of Keewaydin is not a camp founded on any particular religion. We respect each individual's choices and beliefs. We do not provide transportation to religious services held outside of camp.

Birthdays:

Girls having birthdays during the summer will have cakes baked for them by the chef. They will be honored in the dining room by a round of "Happy Birthday" from the whole camp. We encourage you to send a birthday package, cards and letters, but please send no edibles. If you let us know we can hold a package until the actual natal day.

Homesickness:

If your daughter writes of being homesick the first week or so of camp, please give us a fair chance before being unduly concerned. Our friendly attention helps to eliminate homesickness but cannot do so entirely right away. It is often a credit to a new camper to be homesick. "Fighting it through" with our help is a valuable experience. See our [Homesickness](#) link.

Another resource on how to prepare your daughter in a way that can minimize homesickness is "*The Secret Ingredients of Summer Camp Success*" by Chris Thurber. It can be purchased through the ACA bookstore online at www.acabookstore.org or by calling 888-229-5745.

Pets:

We know that your child may be very attached to her pet; however, due to the problems created by personal pets at camp, we have a policy that campers cannot bring their pets to camp.

Websites:

Personal Websites: To protect the privacy of our campers and the reputation of Keewaydin and Songadeewin, we ask that campers and staff adhere to the following policies regarding use of statements and photographs on personal websites (e.g. Facebook, MySpace, etc.)

Please do not:

- Use the Keewaydin or Songadeewin logo on your website
- Post photographs of campers
- Post any photographs or statements that might jeopardize the reputation or good name of Keewaydin or Songadeewin

Keewaydin/Songadeewin Website: Other useful information including photos from the current summer can be found at [Camp Photos](#). **You will be sent a new parent password at the beginning of each season.**

We welcome excellent photos of camp (campers, staff, activities, trips) for our website. Please consult the camp director if you have photos that you would like posted on our website.
